

# Wagon Wheel (biscuit version)

Key of G

Simon Taylor

## Verse 1:

Headed down the shops near the house of mine  
Looking for biscuits to save some time  
Looking down the aisle  
Pray to God I see bourbons

I made it to sainsburys in seventeen minutes  
Pickin' me a bouquet of cheap coloured flowers  
Cycled there on my Raleigh  
so I can see my baby tonight

## Chorus:

**G** **D**  
So find me biscuits like a wagon wheel  
**Em** **C**  
Jaffa cakes taste like orange peel  
**G D** **C**  
Penguins really rock me  
**G** **D**  
Find me biscuits like a custard cream  
**Em** **C**  
Lemon puffs taste like a dream  
**G D** **C**  
Jammy dodgers rock me

Rich tea biscuits are a classic in England  
I was born to eat digestives in the palm of my hand  
My baby eats choccy cookies  
She weighs too much now

I lost my pack of custard creams so i had to up and leave  
But I ain't turnin' back To  
eating Nice biscuits no more

Down in the south they eat garibaldi  
Savoury biscuits with a dollop of Philly  
Had a nice long tea  
At Marks and Spencers  
At their cafe inside at Camberley

And I gotta get a move on so I am done  
I hear the cashier callin' my name  
And I know that she's the only one  
And if I use my vouchers  
At least Ill get my biccies for free

**Chorus:**

**G** **D**  
So find me biscuits like a wagon wheel  
**Em** **C**
