

# Parallel Lives

Simon Taylor

Key of Am

## Verse 1:

**Am**                      **Dm**  
I struggle to find identity  
**Am**                      **Dm**  
What is it you do? She asked me  
**Am**                      **Dm**  
The things I do you cannot see  
**G**                      **Am**  
Or explain to anyone easily

## Chorus :

**E7**      **Am**  
Parallel lives  
**E7**      **Am**  
Real world, Virtual world  
**F**              **G**  
What is real, what is false  
**Am**  
I don't know

## Verse 2:

**Am**                      **Dm**  
Invisible is my code  
**Am**                      **Dm**  
My thoughts are from another road  
**Am**                      **Dm**  
You can't understand  
**G**                      **Am**  
So you dismiss me out of hand

**Am**                      **Dm**  
I'm lonely with my mind  
**Am**                      **Dm**  
It's not easy when others are blind  
**Am**                      **Dm**  
To the world I'm living for

**G** **Am**  
But you walk out of the door

**Chorus :**

**E7** **Am**  
Parallel lives  
**E7** **Am**  
Real world, Virtual world  
**F** **G**  
What is real, what is false  
**Am**  
I don't know

**Verse 3:**

**Am** **Dm**  
Imagination's my nemesis  
**Am** **Dm**  
If it's genius it's so dangerous  
**Am** **Dm**  
my brain takes me over the edge  
**G** **Am**  
As I spiral out of control

**Chorus :**

**E7** **Am**  
Parallel lives  
**E7** **Am**  
Real world, Virtual world  
**F** **G**  
What is real, what is false  
**Am**  
I don't know

**Verse 4:**

**Am** **Dm**  
And then I realise  
**Am** **Dm**  
What I don't see with my own eyes

**Am**                      **Dm**  
Is just inside my head  
    **G**                      **Am**  
and is better left unsaid

**Chorus :**

**E7**      **Am**  
Parallel lives  
**E7**              **Am**  
Real world, Virtual world  
**F**              **G**  
What is real, what is false  
**Am**  
I don't know
