

# The Diary Of Horace Wimp

Key of A

ELO

Monday: Late again, today,

he'd be in trouble though he'd say he was sorry,  
he'd have to hurry out to the bus.

**A**

Tuesday: Horace was so sad,

he'd never had a girl that he could care for,  
and if he was late once more, he'd be out.

**A D A D**

Don't be afraid, just knock on the door,

**A D**

Well he just stood there mumblin' and fumblin'.

**A D**  
Then a voice from above said—

**A G**

"Horace Wimp, this is your life,

**F#m F**

Go out and find yourself a wife.

**A G**  
Make a stand and be a man,

**F#m F**

And you will have a great life plan."

Wednesday: Horace met a girl,

she was small and she was very pretty,

**F#m** **E** **A** **D**  
he thought he was in love, he was afraid.

**A**  
Thursday: Asks her for a date,  
**F#m** **E**  
the cafe down the street tomorrow evening,  
**F#m** **E** **A** **D**  
his head was reeling, when she said "Yes O.K."

Friday: Horace, this is it,  
**F#m** **E**  
he asks the girl if maybe they could marry,  
**F#m** **E** **A** **D**  
when she says "gladly." Horace cries.

**A**  
Sunday: Everybody's at the church,  
**F#m** **E**  
when Horace rushes in and says "Now here comes my wife,  
**F#m** **E** **A** **D**  
for the rest of my life." and she did.
