

Honey

Key of Dm

Bobby Goldsboro

Intro:

Dm7 G7 C Cmaj7 C6

Verse 1:

C

See the tree, how big it's grown,

Cmaj7 C6

but friend it hasn't been too long,

Dm7 G7 Dm7 G7

it wasn't big.

Dm7 G7

I laughed at her and she got mad,

Dm7 G7

the first day that she planted it,

C Cmaj7 C6

was just a twig.

Verse 2:

C

Then the first snow came,

Cmaj7 C6

and she ran out to brush the snow away,

Dm7 G7 Dm7 G7

so it wouldn't die.

Dm7 G7

Came runnin' in all excited,

Dm7 G7

slipped and almost hurt herself,

C Cmaj7 C6

and I laughed till I cried.

Verse 3:

C

She was always young at heart,

Cmaj7 C6

kinda dumb and kinda smart,

Dm7 G7 Dm7 G7

and I loved her so.

Dm7 G7

And I surprised her with a puppy,

Dm7 **G7**
kept me up all Christmas Eve,
C **Cmaj7 C6**
two years ago.

Verse 4:

C
And it would sure embarrass her,
Cmaj7 **C6**
when I came in from workin' late,
Dm7 **G7 Dm7 G7**
'cause I would know.
Dm7 **G7**
That she'd been sittin' there and cryin',
Dm7 **G7**
Over some sad and silly,
C **Cmaj7**
late, late show.

Chorus:

C6 **Dm7** **G7 Dm7**
And honey, I miss you,
G7 **C** **Cmaj7**
and I'm bein' good.
C6 **Dm7** **G7 Dm7**
And I'd love to be with you,
G7 **C** **Cmaj7 C6**
if only I could.

Verse 5:

C
She wrecked the car and she was sad,
Cmaj7 **C6**
and so afraid that I'd be mad,
Dm7 **G7 Dm7 G7**
but what the heck.
Dm7 **G7**
Though I pretended hard to be,
Dm7 **G7**
guess you could say she saw through me,
C **Cmaj7 C6**
and hugged my neck.

Verse 6:

C
I came home unexpectedly,
Cmaj7 C6
and caught her cryin' needlessly,
Dm7 G7 Dm7 G7
in the middle of the day.
Dm7 G7
And it was in the early spring,
Dm7 G7
when flowers bloom and robins sing,
C Cmaj7
she went away.

Chorus:

C6 Dm7 G7 Dm7
And honey, I miss you,
G7 C Cmaj7
and I'm bein' good.
C6 Dm7 G7 Dm7
And I'd love to be with you,
G7 C Cmaj7 Em7 A7
if only I could.

Verse 7:

D
One day while I was not at home,
Dmaj7 D7
while she was there and all alone,
Em7 A7 Em7 A7
the angels came.
Em7 A7
Now all I have is memories,
Em7 A7
of Honey and I wake up nights,
D Dmaj7 D6
and call her name.

Verse 8:

D
Now my life's an empty stage,

Dmaj7 **D7**
 where Honey lived and Honey played,
Em7 **A7 Em7 A7**
 and love grew up.
Em7 **A7**
 And a small cloud passes overhead,
Em7 **A7**
 and cries down on the flower bed,
D **Dmaj7 D6**
 that Honey loved.

Verse 9:

D
 And see the tree how big it's grown,
Dmaj7 **D7**
 but friend it hasn't been too long,
Em7 **A7 Em7 A7**
 it wasn't big.

(in fade out)

Em7 **A7**
 And I laughed at her and she got mad,
Em7 **A7**
 the first day that she planted it,
D **Dmaj7 D6**
 was just a twig.
