Bbm **Gb**
First things first, I'ma say all the words inside my head

I'm fired up and tired of the way that things have been, oh-oooh

Gb **F**
The way that things have been, oh-oooh-oooh
Bbm **Gb**
Second thing second, don't you tell me what you think that I can be

Your spirit up above, oh-oooh-oooh

Pre-Chorus 2:

I was choking in the crowd, building my rain up in the cloud
Falling like ashes to the ground, hoping my feelings, they would drown
But they never did, ever lived, ebbing and flowing, inhibited, limited
Till it broke open and rained down, it rained down, like...

Pain! - You made me a, you made me a believer, believer
Pain! - You break me down, you build me up, believer, believer

Last things last, by the grace of the fire and the flames
You're the face of the future, the blood in my veins, oh-oooh
The blood in my veins, oh-oooh-oooh

Till it broke open and rained down, it rained down, like...
