## Intro:

## Verse 1:

I took an arrow to the heart

I never kissed a mouth that taste like yours

Strawberries and somethin' more

Ooh, yeah, I want it all

Lipstick on my guitar, ooh  
Fill up the engine, we can drive real far  
Go dancing underneath the stars  
Ooh, yeah, I want it all, mm  
Ooh, you got me feeling like

### Pre Chorus:

I wanna be that guy  
I wanna kiss your eyes  
I wanna drink that smile  
I wanna feel like I'm  
Like my soul's on fire  
I wanna stay up all day and all night, mm  
Yeah, you got me singing like

### Chorus 1:

Ooh, I love when you do it like that  
And when you're close up, you give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over then we'll bring it right back

### Chorus 2:

And we'll say ooh I love it when you do it like that  
And when you're close up, you give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over then we'll bring it right back, yeah

## Verse 2:

**Bm** Into the car, on the back seat in the moon lit dark  
**G**  
**D** Wrap me up between your legs and arms

Ooh, you got me feeling like
